Re: Public Notice-Public Service Commission of KY
Case No. 96-434

As property owners in close proximity to the proposed tower at 202 Old Harrods Creek Road, Middletown, Kentucky 40243, we strongly oppose this structure for the following reasons:

1. Unknown and unproven health concerns.
2. An obvious eyesore since it will be placed in direct view of Shelbyville Road.
3. This structure is proposed to be built within a very few feet of our joint property lines to which we object.
4. Possible interference with our receiving equipment (phones, TV's, radios etc)
5. Safety of children playing around this structure-the neighboring children tend to use the parking lot for play.
6. This tower was offered to us by KY CGSA, Inc. and we declined this offer for all the above reasons.

In view of our objection, we urge you to refuse a Certificate of Public Convenience and Necessity for construction of this cellular radio telecommunications tower at location requested.

Sincerely,

G & L AUTO MART INC.
